

≡PRIME³

AIR PURIFIER **SAP81**

Distinctive features:

- 7-stage air purifying process
 - CADR up to 350m³/h
- Electronic touch panel control system

Specification:

- | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none">• 7-stage air purifying process:<ul style="list-style-type: none">➢ Pre-filter➢ Cold catalysis filter➢ Activated carbon filter➢ Antibacterial filter➢ HEPA filter➢ UV lamp➢ Negative ion generator• Air purifying efficiency from PM2.5 up to 99,95%• Air purifying efficiency from bacteria and viruses up to 99,99• Air purifying efficiency from formaldehyde up to 99%• Ionizing efficiency up to 20x10⁶ ions per second | <ul style="list-style-type: none">• Recommended area up to 50m²• 3 operating modes• Low-noise operation 29-50dB• Air quality indicator• Child-lock• Timer• Smart mode (adapts intensity of purifying to the level of air pollution)• Remote controller• Rated power: 80W• Power supply: 220-240V~50/60Hz• Dimensions: 37x19,5x65cm• Weight: 8kg• EAN: 5901750503191 |
